Summer Overnight Camp

From fun and exciting activities to meaningful moments of spiritual growth, rising **3rd-12th graders** will be able to break away from their day-to-day lives and explore the great outdoors. Campers stay overnight in cabins with 2 counselors and 7-9 other campers their age. Our programming ranges from cabin specific experiences such as crafts and creek hike to all-camp activities like ballfield games and evening worship.

Summer Day Camp

Running from mid-June through early-August, our Blast Day Camp program offers a week full of fun for **1st-6th graders.** Each week will feature a different theme where campers will have fun learning about and engaging with a different subject. Past themes have included: Mad Scientist, New Frontiers, Wild World of Water, and Amazing Animals. Alongside the themed activities, campers will participate in beloved camp programming such as swimming, ballfield games, crafts, archery, daily devotions, and more!

SURGE

Give your camper a chance to see behind the scenes of camp through our SURGE program. Geared towards service, SURGE is for youth entering **grades 9th-12th** to step into a servant leadership experience at Black Rock. The week long program focuses on camp service, teamwork, and spiritual growth that give campers the chance to learn more about what it means to be a true disciple of Christ. With eligibility for 40 volunteer hours and for a fraction of the cost of a regular overnight week of camp, SURGE is a great opportunity for campers to take on all the fun of camp from a different perspective.

SURGE Launch

Beginning in summer 2023, our SURGE Launch program is designed to give campers entering **7th-9th grade** an opportunity to learn servant leadership first hand. Running concurrently with our Blast Day Camp program, SURGE Launch campers will come alongside their counselors to assist in activities, participate in devotional studies, experience the excitement of camp! This is a great opportunity for both new campers and those that have aged out of the Blast Day Camp program.
