Please list the name of each person in your group that is registered to participate in the retreat. Each person must complete their own registration form, even if attending with a group. **All payment should be collected by the group leader and submitted with the registration forms at one time.** We strongly recommend submitting payment for your entire group with one check if at all possible. Any adult youth leader participating in the retreat must complete a registration form and be listed on the roster as well and indicate that they are a leader by writing the word "leader" in parenthesis next to their name. Once the roster, registrations, and payment are submitted, a confirmation letter will be mailed back to you indicating your registration status. If you have further questions feel free to contact us at 1-800-858-9299. Thank you!
