

Overview of Medical Information

If your camper will be bringing any medication with them (prescription, over the counter, emergency use, etc.) or if they have any allergies, you must complete the Medical section in registration 2 weeks prior to the start of their session.

This document outlines how to add a new medication, adjust a current medication, and indicate any camper allergies.

Medication:

On your dashboard, please select “Add Medication.” The system will then redirect you to the page below. With “Yes” selected, enter the number of medications your camper will bring and then choose “Add/Edit Meds.”

Please complete the medical information requested.

Is your child bringing any Medications to camp?.

Yes Enter Qty. No Pres. Meds Added Add/Edit Meds

Does your child have any Allergies?.

Yes No Allergies Added Add/Edit Allergy

Complete all fields in the screen below to add the medication and then choose “Select Sessions...” to create a schedule for when your campers needs the medication.

Allergies:

*New for 2022- allergy information is required for each camper attending a summer program at Black Rock Retreat, even if the camper does not have any allergies. This helps our staff run more efficient and simple reports to better coordinate between various departments at camp (food service, health care, etc.).

The only option on the screen below for allergies is “Yes.” Please select “Add/Edit Allergy.”

Please complete the medical information requested.

Is your child bringing any Medications to camp?

Yes Enter Qty. No Pres. Meds Added Add/Edit Meds

Does your child have any Allergies? Yes No Allergies Added Add/Edit Allergy

If your camper does not have any allergies, please check the box next to “No Known Allergies.”

If your camper has any environmental, food, or medicine allergies, please select from the available options or enter your own allergy if not it is not in the list.

When finished, select “Save.”

Allergies

Please provide all allergies that the Camper may have.

No Known Allergies
